4) Creation of Text to Speech service

The screenshot displays the IBM Cloud management interface for the Text to Speech service. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Gurubaran 201950452...). The main content area is titled 'Text to Speech-zd' and shows the service is 'Active'. A left sidebar under the 'Manage' tab lists options: Getting started, Service credentials, Plan, and Connections. The main panel contains three sections: 'Start by viewing the tutorial' with links to 'Getting started tutorial' and 'API reference'; 'Credentials' showing the API key and URL; and 'Plan' showing the 'Lite' plan with an 'Upgrade' button.
